

Good Practices Sharing Session - Cambodia

On March 21, 2023, a good practices sharing session webinar was conducted for factories and local brand teams of Cambodia. **A total of 100 participants (8 brand team members)** joined in, representing **65 factories (5 non-LABS)** and **5 Brands (Carters)**. It was a very interactive session, as comments were shared amongst factories, including remediation clarification. The new helpline chat box was shared at the end of the presentation and the PPT was shared with all participants via email.
